CARPETS & RUGS

WEAVE YOUR NETWORK

We are proud that the Carpets & Rugs area has established itself so successfully at Heimtextil – and that's in no small part thanks to you! We are now looking forward to continuing this success story together at Heimtextil 2025, the most important trade fair for home and contract textiles.

Only here will you find such a comprehensive global range of original, sustainable and future-oriented products.

Together with you, the Carpets & Rugs area will continue to grow. We are opening up additional hall levels thereby creating space for an even more differentiated offer.

Be part of it!

Book your place now at your industry's new home and meet precisely your target groups: Top buyers and the most important decision-makers from all over the world will be here. Enjoy the best-possible conditions for doing business at the *annual season opener in January!*

WELCOME TO FRANKFURT!

OUR PLATFORM FOR YOUR SUCCESS

Unique international platform for home and contract textiles

At this major ordering platform you'll meet top buyers and decision-makers from all over the world.

Integral element of Heimtextil

Carpets & Rugs has established itself as an integral and dependable part of Heimtextil and is the specific destination for various visitor groups.

Extended offer

We will continue to grow in 2025 and expand our range of themes. New additions include Fibres & Yarns for carpet manufacturers and the Technology segment.

Ideal location

The area is compact and centrally located in Hall 5, directly on the main visitor route.

Show off your expertise

Take advantage of the growing interest in sustainably produced textiles as well as textiles with functional properties for hotels and interior designers. Present your solutions here.

Global presence

The Heimtextil platform and the internationally active Textpertise Network offer maximum interaction and a global sphere of activity. With years of knowhow and over 50 international textile trade fairs, we are the first port of call for exhibitors.
